

Changes to OMA: Splitting FSP and Foster Care

On Friday, October 23, 2009, DMH will be rolling out another change to the menus in the Outcomes Measures Application. We're going to split the "FSP/SFC" Wizards: Specialized Foster Care (SFC) and Full Service Partnership (FSP) will each have their own selections.

The following screens demonstrate the new SFC Wizards. The FSP Wizards operate the same way.

To create an SFC Baseline, begin by floating your cursor over the SFC menu and then the "Start SFC Baseline" option...and then click.

The screenshot shows the OMA application interface. At the top, there are navigation buttons: 'My Assessments', 'My Team Assessments', and 'Client Search'. Below these is a blue header bar with a hamburger menu icon and the text 'Three Month Tickler'. A dropdown menu is open, showing options: 'Start SFC Baseline', 'Start SFC KEC', and 'Start SFC ThreeM'. The 'Start SFC Baseline' option is highlighted with a red box. Below the menu is a search bar with a 'Go' button. A pagination bar shows '1 of 2' items, '32 Items', and '25 /Page' with a 'Go' button. Below the pagination is a table with the following columns: Client, Name First, Name Last, Name Mid, Current Provider Number, Partnership Date, Current Due Date, and Latest 3 M Date. The table contains several rows of data.

Client	Name First	Name Last	Name Mid	Current Provider Number	Partnership Date	Current Due Date	Latest 3 M Date
				6864	2/27/2007	8/27/2009	5/15/2009
				6864	5/29/2007	8/29/2009	5/27/2009
				6864	5/31/2007	8/30/2009	
				6864	3/2/2007	9/2/2009	6/15/2009
				6864	6/3/2008	9/3/2009	5/28/2009
				6864	3/5/2008	9/5/2009	5/27/2009
				6864	3/6/2009	9/6/2009	5/27/2009

You will then follow the SFC Baseline Wizard...

The screenshot shows the 'SFC Baseline Wizard Select Client' screen. At the top, there are navigation buttons: 'My Assessments', 'My Team Assessments', and 'Client Search'. Below these is a blue header bar with a hamburger menu icon and the text 'SFC Baseline Wizard Select Client'. Below the header is a search bar with the text '2044155' and a 'Go' button. Below the search bar is a pagination bar showing '1 of 1' items, '1 Items', and '10 /Page' with a 'Go' button. Below the pagination is a table with the following columns: Client, Name Last, Name First, Birth Date, Gender, SFPR Provider Name, and SFPR Telephone. The table contains one row of data.

Client	Name Last	Name First	Birth Date	Gender	SFPR Provider Name	SFPR Telephone
